WELCOME TO VMAX

Welcome to the VMAX For One Community Inc. Creative Arts Program, "The Art of Fashion." Our program uses fashion, performance, visual creativity, communication, and production experiences to help young people strengthen confidence, discipline, creativity, teamwork, and career-readiness skills.

WHO WE ARE

VMAX For One Community Inc. is a nonprofit youth-development organization that provides creative arts education and real-world experiences in a supportive, structured environment. Through classes, workshops, community events, fashion showcases, and educational opportunities, students are encouraged to discover their talents, develop professional habits, and confidently express who they are.

OUR MISSION

Our mission is to empower youth through creative arts education and experiences that build confidence, discipline, character, communication, teamwork, time management, and career readiness while providing opportunities for artistic expression, leadership, and community engagement.

COMMUNITY PARTNERSHIPS

VMAX values partnerships that help connect our students to meaningful community experiences and opportunities. Our community partners include:

- Lake Square Mall
- Lake Port Square
- City of Leesburg
- Belk – Lake Square Mall, Leesburg, Florida
- Lake County Florida Sheriff's Office

WHAT STUDENTS RECEIVE

Upon completed registration, students receive:

- VMAX uniform
- VMAX school tumbler
- Access to the Creative Arts Program classes and workshops for the registered season
- Program schedule and detailed class information at Orientation

Creative Arts Program Offerings

FASHION RUNWAY TECHNIQUES

Students learn runway walking, posture, posing, stage presence, confidence, transitions, formations, professionalism, and fashion-showcase presentation skills.

VISUAL RETAIL

Students are introduced to visual merchandising concepts such as product presentation, displays, styling, color coordination, store presentation, and the creative process behind retail environments.

CHARACTER / ACTING

Students explore character development, expression, movement, improvisation, scene work, and performance skills that build confidence both on and off the stage.

THEATRE ARTS

Students experience the fundamentals of theatre, including stage awareness, storytelling, ensemble work, performance preparation, and creative expression.

FASHION DESIGN / SKETCHING

Students learn the basics of fashion illustration and design development, including inspiration, garment concepts, silhouettes, color, and communicating ideas through sketches.

ETIQUETTE / PUBLIC SPEAKING

Students develop social and professional etiquette, introductions, conversation skills, presentation skills, speaking with confidence, and age-appropriate professional presence.

MASTERY

Designed for experienced or advancing students, Mastery focuses on refining technique, professionalism, leadership, presentation, and higher-level preparation for showcases and opportunities.

MEDIA & EVENT PRODUCTION WORKSHOPS

Hands-on workshops introduce students to the behind-the-scenes world of media and events, including production planning, event flow, basic content creation, photography/video awareness, and production-team roles.

WEARABLE ART WORKSHOPS

Students transform creative ideas and everyday or artistic materials into expressive, wearable pieces while learning design thinking, construction concepts, presentation, and creative problem-solving.

NOTE: Class dates, workshop dates, student placement, expectations, and the full program calendar will be reviewed at Orientation on September 29, 2026.

Your Child's Journey Through VMAX

The VMAX Creative Arts **"The Art of Fashion" Program** is a structured **nine-month educational program** designed to allow students to grow at their own pace while building confidence, creativity, discipline, and real-world skills. Students begin at the **Beginner Level** and have the opportunity to progress through **Intermediate, Advanced, and ultimately Mastery**, with a graduation recognizing their growth and accomplishments at the completion of each nine-month program level.

For students who complete the **Mastery Level** and are interested in pursuing opportunities within the modeling, talent, or entertainment industry, VMAX has partnered with **Alexa Model and Talent Agency in Tampa, Florida**, providing a potential pathway for students ready to explore the industry beyond our program.

However, **a career in modeling or entertainment is not the ultimate measure of success at VMAX**. Our hope is that every student leaves the program having discovered something within themselves they may not have known was there. Whether their journey leads to fashion, theatre, media, event production, design, public speaking, entrepreneurship, another creative field—or an entirely different career—we want students to **tap into their inner creativity, discover their individual gifts, and blossom into the confident, creative person they have uncovered through their VMAX experience**.

Every student's journey is different. Our purpose is to help them discover where their creativity can take them.

STEP UP FOR STUDENTS

SCHOLARSHIP FUNDING INFORMATION FOR ELIGIBLE FAMILIES

VMAX For One Community Inc. is an approved Step Up For Students service provider. Eligible scholarship families may be able to use available scholarship funds for approved VMAX services. Funding depends on the student's scholarship program, available account balance, and Step Up For Students rules for eligible services.

HOME-SCHOOL & VIRTUAL-SCHOOL FAMILIES

If your child is home-schooled, participates in a Personalized Education Program (PEP), or uses an eligible virtual-school arrangement, please attend the VMAX Orientation on September 29, 2026 at 6:30 PM at the Leesburg Resource Center. We will explain the VMAX program, classes and workshops, registration requirements, and how eligible families can locate VMAX in the Step Up For Students EMA Marketplace.

HOW TO USE STEP UP FOR STUDENTS WITH VMAX

- Apply for or manage your child's scholarship through Step Up For Students and the EMA system.
- Once your child's scholarship is active and funds are available, log in to your EMA account.
- Choose Marketplace, then Find Providers, and search for VMAX For One Community Inc.
- Select the eligible VMAX service for your student and follow the EMA instructions to reserve funds.
- Complete VMAX registration and program placement as explained at Orientation.

IMPORTANT: Step Up For Students—not VMAX—determines scholarship eligibility, eligible expenses, and payment approval. Scholarship funding is not automatic or guaranteed. Full-time enrollment in certain publicly funded virtual-school options may affect scholarship eligibility, so virtual-school families should confirm their individual status with Step Up For Students.
