Max and Vonda Parker  
VMAX "For one Community".

To Whom It May Concern,

It is my pleasure to write a letter of support for VMAX, "For one community". We have partnered with this organization on several occasions, including our most recent joint fundraiser a fashion designer showcase and competition.

VMAX "For One Community" is dedicated to teaching our youth the life skills needed to become productive citizens in our community through the art of boxing. "It takes a village to raise a child." VMAX "For One Community" embodies this proverb and invests in our youth in many ways including encouraging and fostering each program participant to be respectful, give 100% percent, and be productive citizens in our community.

As a community leader in Leesburg, VMAX "For one community" understands the importance of collaboration and interaction within a community for a strong supportive community. I fully support the efforts of VMAX "For one community", as they seek funding to support upcoming programs
