**Re: Letter of Recommendation for VMAX**

To Whom It May Concern:

It is with pleasure that I provide a letter of recommendation pursuant to VMAX work within the City of Leesburg community. VMAX has been quite an inspiration to our City and the local community. The organization is well knowledgeable and focused on the needs of the community.

During a number of community events, VMAX has been instrumental in helping with community clean-ups, paint-ups and social events. Having VMAX as a community partner allows for growth and individual successes within our community. We intend to rely on VMAX expertise and generosity to promote volunteerism and enhance programs and services for our community.

Sincerely,

Ken Thomas, Director
